You MUST re-subscribe to ensure you are receiving SUFC email. Go to sufathersclub.org, click Mailing List, and enter your email address. **Then check your email. If you don't receive a confirmation, you haven't been subscribed.** Check your mail client to make sure that the confirmation email was not routed to your spam folder. Place "sufathersclub.org" in your 'white list' to ensure you receive email. After responding to the confirmation email, you will then receive an email saying that you ARE subscribed, and will be assigned a password that will allow you to view the entire member list. You will be sent a password reminder every month, and each SUFC email will have instructions on changing addresses and removal. The list is self-directed. It must be done this way, and *only this way*, because of some person or persons making complaints to their ISP(s) and not owning up to it. Thank you for your cooperation.
